

# Cool, Not Cool, WTF Activity

Directions: Read each scenario and mark whether you think it is cool, not cool, or WTF.

	Cool	Not Cool	WTF
Your partner gets angry when you do not respond to their texts immediately.			
Your partner stops by your class even though you told them it makes you feel uncomfortable. When you confront them about this, they say you must not love them.			
Your partner gets upset because you are going to see a movie without them.			
When you get into an argument, your partner throws things around, but not at you.			
Your partner asks to exchange social media passwords.			
Your partner wants you to tell them where you are when you are not with them.			
You and your partner usually have oral sex, but last night they got angry at you for not wanting to.			
Your partner gets annoyed that someone is posting/commenting a lot on your social media.			
Your partner calls you names when you argue or have disagreements.			
You get drunk with your friend and are barely able to walk home. You're pretty sure you said "no" to hooking up, but ended up waking up naked next to the friend. You can't remember clearly.			
Your partner gives you the silent treatment when they're angry.			
Before going out, your partner says that they think your outfit is too revealing. They ask you to change.
